Re: Interview of Valerie Thomas, regarding the Clearview Landfill, Lower Darby Creek Site

Lawrence Richardson interviewed Valerie Thomas regarding the Lower Darby Creek Site. The following is a summary of Ms. Thomas's statement.

Ms. Thomas stated that she was a resident of the Pennrose Eastwick Area. Her address was [REDACTED]. She stated that she was one of the officials in the Eastwick and Pennrose Community Associations. She also stated that she was involved in the civil lawsuit against Korman Suite Builders. Her house was one of the houses affected by the Heller's dumping operations. There was an out of court settlement for which she only received \$600.00.

Ms. Thomas stated that most of the records of the Association were discarded. She will attempt to locate any remaining records and pass them to EPA.
